

## SHORT LINE ELECTS ITS DIRECTORATE

Old Board Is Chosen at the Meeting of the Stockholders.

ALL BUT SIX SHARES ARE REPRESENTED

Session to Be Held Later in New York Will Take Up Problems.

The Oregon Short Line railroad main tracks cover a mileage distance of 1592 miles, operated in five different States, ranging from Granger, Wyo., on the east to Huntington, Or., on the west, and from Butte, Mont., on the north to Salt Lake City on the south. It has more mileage in Idaho than in the four other States combined, traversing, as it does, that State from north to south and from east to west, with numerous and extended branches or feeders of no inconsiderable length. This is the Oregon Short Line proper, and a part of the Harriman railway system, and operated in connection therewith, or rather as an important part of the great whole. The Oregon Short Line is really the most important railroad in the intermountain country. It has been the means of opening up a greater scope of country to civilization and a larger number of towns and cities than any other railway system of this region. For years it was operated on independent lines in the interest of the people and the country through which it traversed. In those days it was close to the people. It was looked upon as the people's friend. But in the merging of railroad lines into great systems which took place a few years ago, the Short Line was shorn of its independence, and became a part of a great transcontinental system, and as such it is successfully operated. Although the Oregon Short Line is controlled by Mr. Harriman, it has not lost its identity. It still has its own board of directors and is operated by a full complement of Short Line officials, of whom Vice President W. H. Bancroft is the general manager.

**Holds Annual Meeting.**  
Wednesday the annual meeting of the Oregon Short Line stockholders was held in the offices of W. H. Bancroft in this city. The meeting convened at 10 o'clock, and was in session less than two hours. Judge W. D. Cornish, vice president of the Harriman railway system, presided, and Joseph Hellen of New York acted as secretary. The meeting was held in compliance with law, for the purpose of electing a board of directors and transacting such other business as might properly come before it.

The number of shares into which the Oregon Short Line corporation is divided is 598,117, of which but 6900 shares were represented at the meeting. In other words, Judge Cornish, in the election of directors, voted, personally and by proxy, 573,517 shares. The other 6900 shares were not represented in the meeting.

The income account of the road for twelve months ending June 30, 1907, showing a balance surplus over fixed and other charges, dividends and appropriations for betterments made during the year, \$2,659,550.45 was accepted and filed.

The meeting was entirely harmonious. The actions of the board and those of the executive committee during the past year were unanimously approved. Nothing in the line of railroad business was discussed in the meeting after the reading of the income account, which, in itemized form, will be taken up and passed upon by the board of directors in New York, when it shall have been completed. The following constitute the board of directors, each one of whom was re-elected at Wednesday's meeting: Edward H. Harriman, New York; William D. Cornish, New York; W. S. McCormick, Salt Lake City; Oliver Ames, Boston; Gordon M. Ruick, New York; Samuel Carr, Boston; L. H. Cornell, New York; George E. Downs, New York; Maxwell Everts, New York; R. S. Lovett, New York; William S. Hall, New York; Oliver W. Mink, Boston; H. B. Taylor, New York; W. V. S. Thorne, New York; and P. A. Valentine, Chicago.

**Judge Cornish's Statement.**  
Judge Cornish, while not perturbed, was somewhat surprised to read in some of the Salt Lake newspapers that business expenditures by Mr. Harriman, or that business of any kind had been discussed at the Union Pacific stockholders' meeting Monday. He said that a Mr. Fay, representing 100 shares, introduced a resolution, which was not commented upon by him or any one else. It was filed. This was done, he said, for a grand stand play. In the Union Pacific railway company, Judge Cornish said, there were nearly, if not quite, 15,000 stockholders, and that at the meeting he represented over 76 per cent of all the stock. This, of itself, said the judge, ought to convince the most skeptical, or even those opposed to Mr. Harriman, that his methods are pretty strongly endorsed. The statement that the meeting was a strenuous one, or that there was any warm discussion on any topic, is without foundation, he declared.

## Charcoal Kills Bad Breath

Bad Odor of Indigestion, Smoking, Drinking or Eating Can Be Instantly Stopped.

**Sample Package Mailed Free.**  
Other people notice your bad breath where you would not notice it at all. It is nauseating to other people to stand before them and while you are talking, give them a whiff of your bad breath. It usually comes from food fermenting on your stomach. Sometimes you have it in the morning—that awful sour, bilious, bad breath. You can stop that at once by swallowing one or two Stuart's Charcoal Lozenges, the most powerful gas and odor absorbers ever prepared.

Sometimes your meals will reveal themselves in your breath to those who talk with you. "You've had cabbage," or "You've been eating cabbage," and all of a sudden you blush in the face of your friend. Charcoal is a wonderful absorber of odors, as every one knows. That is why Stuart's Charcoal Lozenges are so quick to stop all gases and odors of odorous foods, or gas from indigestion.

Don't use breath perfumes. They never conceal the odor, and never absorb the gas that causes the odor. Besides, the very fact of using them reveals the reason for their use. Stuart's Charcoal Lozenges in the first place stop for good all sour brash and belching of gas, and make your breath pure, fresh and sweet, just after you've eaten. Then no one will turn his face away from you when you breathe or talk; your breath will be pure and fresh, and besides your food will taste so much better to you at your next meal. Just try it.

Charcoal does other wonderful things, too. It carries away from your stomach and intestines all the impurities there mixed together and which causes the bad breath. Charcoal is a purifier as well as an absorber.

Charcoal is now by far the best, most easy and mild laxative known. A whole host of people who are in fact, the more you take the better. Stuart's Charcoal Lozenges are made of pure white charcoal and mixed with just a faint flavor of honey to make them palatable for you, but not too sweet. You just chew them like candy. They are absolutely harmless.

Get a new, pure, sweet breath, freshen your stomach for your next meal, and keep the intestines in good working order. These two things are the secret of good health and long life. You can get all the charcoal necessary to do these wonderful but simple things by getting Stuart's Charcoal Lozenges. We want you to try these lozenges. Send us your full name and address for a free sample of Stuart's Charcoal Lozenges. Then after you have tried the sample, and been convinced, go to your druggist and get a 25c box of them. You'll feel better all over, more comfortable, and "cleaner" inside.

Send us your name and address today and we will at once send you by mail a sample package, free. Address: Stuart's, 200 Stuart Bldg., Marshall, Mich.

clared. The judge characterized the account given of the meeting by one publication, in which it was said Mr. Harriman and Mr. Rogers were here, and that Mr. Golet, who is in Europe, was also at the meeting, as being about the limit of absurdities and falsehoods. Judge Cornish, speaking of Salt Lake, said that the improvements being made were most gratifying, and that everything looked bright for the city's future.

**PRESIDENT MILLER DENIES THE REPORT**

**Special to The Tribune.**  
LARAMIE, Wyo., Oct. 9.—President Fred A. Miller of the Laramie, Hahnke Peak & Pacific, whose offices are here, denies emphatically the report from here that the Union Pacific has made an offer to buy the road to prevent competition. He says the story is "simply hot air."

The Laramie Plains line is now being operated between Laramie and "Central," and grading is being done for an extension of the road from Central to Walden and the Rich coal fields north Park, Colorado, and President Miller says that as far as he knows the Harriman interests have not sought to interfere in any way with the building of that line. In fact the Laramie Plains line being now considered a strong feeder for the Union Pacific. The proposed road from Wamsutter into Rout county, Colo., Mr. Miller says, will not in the least encroach upon his territory if built. He is not worrying about any lines except his own, and there is no need of worry in that.

**AMUSEMENTS.**

**IN SALT LAKE THEATERS.**

**SALT LAKE THEATRE.**—"The Alaskan," a comic opera. Evening, 8:15.  
**GRAND THEATRE.**—"At the Risk of His Life," Evening, 8:15.  
**ORPHEUM.**—High-class vaudeville. Evening, 8:30. Matinee, 2:15.  
**LYRIC THEATRE.**—High-class vaudeville. Evening, 7 and 9. Matinee, 2:30.

Salt Lake playgoers like "The Alaskan." The catchy music in this comic opera pleases all. Then the stage settings and the costumes of the pretty girls, the solos and choruses, all combined, draw to the Salt Lake Theater crowded houses. "The Alaskan" will be presented again tonight.

"Dr. Jekyll and Mr. Hyde" will be the play at the Grand theater the rest of the current week, starting tonight, and Theodore Lorch will be seen in the dual role—characters which have been his best creations. The transition from the noble Dr. Jekyll to the hideous Mr. Hyde is accomplished in full view of the audience, with wonderful rapidity and startling effect. "Dr. Jekyll and Mr. Hyde" was Mr. Lorch's first success, and he will be his first reappearance in the roles in several seasons, but continued requests for the repetition of the play caused Mr. Lorch to again revive the same. The engagement is for three nights only, starting tonight, with a Saturday matinee at 2:30.

Amusement lovers who have visited the Orpheum theatre are unanimous in opinion that the bill presented is one of the best seen at this popular theater this season. There are daily matinees at 2:15.

Not the least important feature in focus of popular attention on the newest of musical shows, "The Yankee Regent," was the tuneless score of Ben M. Jerome. In the way of light opera music the composer is said to have done very few things better; in fact, it was the universal verdict of the Chicago press when the piece opened its twenty-two weeks' run in that city, that the "Regent" was even more pretentious than its sister shows, "The Isle of Spice" and "The Royal Chef," both from the same composer. "The Yankee Regent" is an underecorted attraction at the Salt Lake Theater next Monday.

Another Salt Lake couple has gone upon the stage. This time it is Percy Altire and wife. Mr. Altire is the author of a comedy sketch, "It Happened in Punkville," and last evening it was presented at the Lyric theater, and it was well received. Mrs. Altire's rendition of the "Battle of Manila" on the guitar, was most charming and was heartily endorsed.

Joe E. Rickards, who arrived in the city as the advance agent for "The Yankee Regent," relinquished his duties yesterday and left for Cedar City, where he will reside for the next year, in an attempt to regain impaired health. Will Reed Dunroy, formerly Sunday editor of the Chicago Chronicle, has arrived to take Mr. Rickards' place, and will pave the way for the show from here to the coast.
